## Austin ISD 2017 Bond Implementation

### Hill Elementary School FAQ

**1. What is included in the 2017 Bond program for Hill Elementary School?**

Hill Elementary School will undergo Phase 1 of planned expansion of its existing permanent capacity to alleviate overcrowding and future growth. The additions and renovations will be designed to meet the new Austin ISD Educational Specifications.

Hill Elementary School will also receive technology upgrades including computer lab improvements and teacher computers.

**2. How many phases are there?**

This will be contingent on how efficiently 2017 Bond dollars are used.

**3. What is the total budget for Hill Elementary School?**

\$17,783,000

**4. Where will funding for future phases come from?**

The district will likely seek funding for future phases in a future bond election.

**5. Who is on the planning team for Hill Elementary School? How are they selected?**

A Campus Architectural Team has been established for the Hill Elementary School construction and modernization project. It is made up of members of the school's community that have been selected by the principal and Austin ISD leadership.

The CAT is responsible for providing community input during planning, design, and construction as we seek to modernize the facility and shape the environment for 21st century learning. The designated design team will meet regularly with the CAT throughout each phase of a given project, from initial planning through design, construction and finally the opening of the modernized facility.

**6. How can I get involved and give input?**

Everyone is encouraged to send feedback and questions about the bond program to [future@austinisd.org](mailto:future@austinisd.org).

There will also be a series of community engagement opportunities that will be held for Hill Elementary School during the different design phases of the project. These meetings will provide an opportunity for discussion and feedback. Notifications for each meeting will be sent out in advance to the school community, and project events and key dates will also be available on the [Hill modernization project page](#) of the bond website.

You can also sign-up for school specific email updates on the bond website, which will include information on upcoming opportunities for participation.

**7. What is the timeline for construction? When will students move into the new campus?**

The design phase for Hill Elementary School is scheduled to begin in 2019. You can access the current comprehensive timeline at [AISDFuture.com](http://AISDFuture.com).

**8. Where can I find more information about the modernization project for my school?**
